

CHAIRMANS REPORT

31st May 2021

Hello Members

GREAT NEWS

Berry's Bowling System have arrived on site and have begun restoration of Green 2. This should be completed in the very near future. We can then start bowling again.

I'm sure everyone is looking forward to playing our Championships on our brand new greens.

Also great to have 'Bizikidz' open again. Please bring your family down and enjoy our Restaurant Wednesday to Saturday for Lunch or Dinner.

Don't forget our free Members Raffle on Wednesdays. Friday's are exciting with our Raffle, the fisho's raffle, our community 100s Club and of course our Members Draw.

Looking forward to seeing you all in the Club

Regards,
Tony Stokes
Chairman of the Board
