Chairperson's Report

31 May 2026

To our valued members

It is with great pleasure that I present the Chairperson's Annual Report for Club Nambucca.

Before reflecting on the many achievements of the past year, I would like to acknowledge and thank David Ogilvy for his valuable contribution to Club Nambucca. David resigned from the Board at the end of 2025 due to ill health, and sadly, his illness eventually claimed his life. David made a significant contribution to our club, and his dedication, commitment and friendship will be remembered with great respect.

Financial Performance

Financially, Club Nambucca has had an outstanding year. The Club recorded a profit of \$328,751, allowing for a provision of \$54,567 for poker machine links. This represents an increase of 76.3% year on year.

This result demonstrates a strong and positive movement in Club Nambucca's financial performance and profitability. It provides the Club with a solid foundation from which to continue investing in our facilities, supporting our community and planning for the future.

Achievements and Awards

There have been many achievements throughout the year, and it is pleasing to see Club Nambucca receiving recognition at both state and national levels.

Among these achievements were:

- Club Nambucca was the winner of the Bowls NSW Community Engagement Award.
- The Club was shortlisted for the Clubs and Community Award at the Clubs NSW Awards held in March this year.
- We were also finalists in the Community Service category at the Bowls Australia Awards, held on the Gold Coast in March.
- Most recently, Club Nambucca was honoured with a NSW Government Volunteer Teams Award at Port Macquarie in August.

These awards are a wonderful recognition of the commitment and effort of our members, volunteers, staff and Board, and demonstrate the important role Club Nambucca plays within our community.

Club Upgrades, Improvements and contracts

During the year, a number of significant improvements have been made to our Club facilities.

New lighting has been installed on both bowling greens, allowing greater use of the greens and providing additional opportunities for our members and bowlers.

Chairperson's Report

31 May 2026

The front foyer has been refurbished, creating a much more welcoming and attractive entrance to the Club.

New air conditioning has been installed in the rear area of the Club, improving comfort for members and guests.

The front toilets have also been refurbished, providing much-needed improvements to these facilities.

Our Club-owned rental property has received some much-needed renovations, ensuring the property is maintained to an appropriate standard.

We have also finalised and signed contracts with Jeff and Tilly Kang in our kitchen, ensuring continuity of our popular Chinese cuisine.

In addition, the Club has secured a new three-year contract with Lion Nathan, a one-year spirits contract with Coca-Cola, and a two-year contract with Vintage House for the supply of wine.

These agreements provide the Club with stability and continuity while supporting our ongoing operations.

Supporting Our Community

Community support remains a very important part of Club Nambucca's identity.

The Club has continued its sponsorship of Beaches Netball and Lions AFL, as well as providing individual sponsorship to two very promising athletes — a young cricketer Cooper Heinz and Lexie Brown, a Commonwealth para-athlete.

Our 100 Clubs roster, held each Wednesday and Friday, has also continued to provide valuable support to a wide range of community groups.

The Club has also held a number of very successful Mega Raffles throughout the year. Once again, many of the prizes have been generously sourced from local businesses, demonstrating Club Nambucca's ongoing commitment to supporting and working with our local business community.

Acknowledgements

I would like to take this opportunity to extend a huge thank you to all Club Nambucca staff. Your hard work, professionalism and commitment throughout the year have contributed greatly to the Club's success.

I also sincerely thank my fellow Board members for the enormous effort, time and commitment you have contributed throughout the year. The achievements of the Club are a reflection of the dedication of everyone involved.

And finally, to our members, thank you for your unwavering support of Club Nambucca. Your continued support has not gone unnoticed. Indeed, it has been recognised through many of the awards and achievements mentioned throughout this report.

Looking to the Future

As we look ahead, the Board has a firm vision for the future of Club Nambucca.

Our financial performance is strong, our facilities continue to improve, our community involvement remains an important focus, and the recognition we have received demonstrates the strength of our Club.

There is much to be positive about, and the future of Club Nambucca looks very bright.

Thank you to everyone who has contributed to another successful year.

Indemnifying officers and auditors

The Club has not during or since the financial year in respect of any person who is or has been an officer or auditor of the club:

- a. Indemnified or made any relevant agreement for indemnifying against a liability incurred as an officer, including costs and expenses in successfully defending legal proceedings; or
- b. Paid or agreed to pay a premium in respect of a contract insuring against a liability as an officer for the costs or expenses to defend the legal proceedings; with the exception of the following matters:

During or since the end of the financial year, the club has given indemnity or entered an agreement to indemnify, or paid or agreed to pay insurance premium as follows:

The club has paid premiums to insure each director against liabilities for costs and expenses incurred by them in defending any legal proceedings arising out of their conduct while acting in the capacity as director of the club, other than conduct involving a willful breach of duty in relation to the club.

Club Property Declarations

Pursuant to Section 41J(2) of the *Registered Clubs Act 1976* the Directors declare that, for the financial year ended 31 May 2026, the classification of the property held are as follows:

Property Address	Current Usage	Classification
Lot 8 in DP758749	Club house, grounds, car park and greens	Core
Lot 422 in DP755550	Club house, greens and grounds	Core
Lot 2 in DP46053	Club house and grounds	Core
Lot 2 in DP113103	Greens and grounds	Core
Lot 1 in DP75849	Club grounds	Non Core
Lot 2 in DP830617	17 Bank Street Nambucca Heads	Non Core
Lot 1 in DP836017	19 Bank Street Nambucca Heads	Non Core

1. Section 41J(2) of the *Registered Clubs Act 1976* requires the annual report to specify the core property and non-core property of the Club as at the end of the financial year to which the report relates.
2. Core property is any real property owned or occupied by the Club that comprises:
 1. The defined premises of the Club; or
 2. Any facility provided by the Club for use of its members and their guests; or
 3. Any other declared by a resolution passed by a majority of the members present at a general meeting or ordinary members of the Club to be core property of the Club.

Nambucca Heads Bowling & Recreation Club Limited

ABN: 20 001 023 150

Directors' report

31 May 2026

3. Non-core property is any other property other than that referred to above as core property and any property which is declared by the members at a general meeting of ordinary members of the Club not to be core property.
4. The significance of the distinction between core property and non-core property is that the Club cannot dispose of any core property unless:
 1. The property has been valued by a registered valuer within the meaning of the *Valuers Act 2003*; and
 2. The disposal has been approved at a general meeting of the ordinary members of the club at which the majority of the votes cast support the approval; and
 3. Any sale is by way of public auction or open tender conducted by an independent real estate agent of auctioneer.
5. These disposal provisions and what constitutes a disposal for the purposes of Section 41J are to some extent modified by regulations made under the *Registered Clubs Act 1976* and by Section 41J itself. For example, the requirements in paragraph 4 above do not apply to:
 1. Core property that is being leased or licensed for a period not exceeding 10 years on terms that have been the subject of a valuation by a registered valuer; and
 2. Core property that is lease or licensed to a telecommunications provider for the purposes of a telecommunications tower.

Nambucca Heads Bowling & Recreation Club Limited

Notes to the financial statements

For the year ended 31 May 2026

1. Introduction

The financial report covers Nambucca Heads Bowling & Recreation Club Limited as an individual entity. Nambucca Heads Bowling & Recreation Club Limited is a not-for-profit Company Limited by Guarantee, incorporated and domiciled in Australia.

The principal activities of the Company for the year ended 31 May 2026 were operating as a Registered Club. The functional and presentation currency of Nambucca Heads Bowling & Recreation Club Limited is Australian dollars. Comparatives are consistent with prior years, unless otherwise stated.

The financial report was authorised for issue by the Directors on 26 August 2026.

2. Basis of preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*.

Material accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated. The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

3. Material accounting policy information

a. Income tax

No provision for income tax has been raised as the Company is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

b. Borrowing costs

All borrowing costs are recognised as an expense in the period in which they are incurred.

c. Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payable are stated inclusive of GST.

Nambucca Heads Bowling & Recreation Club Limited

Notes to the financial statements

For the year ended 31 May 2026

3. Material accounting policy information (continued)

c. Goods and services tax (GST) (continued)

Cash flows in the Statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

d. Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is evidence of an impairment indicator for non-financial assets. Where an indicator exists and regardless for indefinite life intangible assets and intangible assets not yet available for use, the recoverable amount of the asset is estimated. Where assets do not operate independently of other assets, the recoverable amount of the relevant cash-generating unit (CGU) is estimated.

The recoverable amount of an asset or CGU is the higher of the fair value less costs of disposal and the value in use. Value in use is either the present value of the future cash flows expected to be derived from an asset or cash-generating unit or the depreciated replacement cost if the criteria in AASB136 'Impairment of Assets' are met.

Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss. Reversal indicators are considered in subsequent periods for all assets which have suffered an impairment loss.

Where an impairment loss in a revalued asset is identified, this is debited against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same class of asset.

e. Financial instruments

Financial instruments are recognised initially on the date that the Company becomes party to the contractual provisions of the instrument. For financial assets, this is the equivalent to the date that the Company commits itself to either the purchase or sale of the asset (i.e., trade date accounting is required). On initial recognition, all financial instruments are measured at fair value plus transaction costs (except for instruments measured at fair value through profit or loss where transaction costs are expensed as incurred).

i. Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Nambucca Heads Bowling & Recreation Club Limited

Notes to the financial statements

For the year ended 31 May 2026

3. Material accounting policy information (continued)

e. Financial instruments (continued)

i. Financial assets (continued)

Classification

On initial recognition, the Company classifies its financial assets as those measured at amortised cost. Financial assets are not reclassified subsequent to their initial recognition unless the Company changes its business model for managing financial assets.

Amortised cost

The Company's financial assets measured at amortised cost comprise trade and other receivables and cash and cash equivalents in the statement of financial position. Subsequent to initial recognition, these assets are carried at amortised cost using the effective interest rate method less provision for impairment. Interest income and impairment of financial assets are recognised in profit or loss. Gain or loss on derecognition is recognised in profit or loss.

Trade receivables and contracts assets

Impairment of trade receivables and contract assets have been determined using the simplified approach in AASB 9 which uses an estimation of lifetime expected credit losses. The Company has determined the probability of non-payment of the receivable and contract asset and multiplied this by the amount of the expected loss arising from default. The amount of the impairment is recorded in a separate allowance account with the loss being recognised in finance expense. Once the receivable is determined to be uncollectable then the gross carrying amount is written off against the associated allowance.

ii. Financial liabilities

The Company measures all financial liabilities initially at fair value less transaction costs, subsequently financial liabilities are measured at amortised cost using the effective interest rate method. The financial liabilities of the Company comprise trade payables, bank and other loans and lease liabilities.

f. Adoption of new and revised accounting standards

The Company has adopted all standards which became effective for the first time at 31 May 2026. The adoption of these standards has not caused any material adjustments to the reported financial position, performance or cash flow of the company.

Nambucca Heads Bowling & Recreation Club Limited

Notes to the financial statements

For the year ended 31 May 2026

4. Critical accounting estimates and judgements

The Directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances. These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates. The significant estimates and judgements made have been described below.

a. Key estimates - impairment of property, plant and equipment

The Company assesses impairment at the end of each reporting period by evaluating conditions specific to the Company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

b. Key estimates - depreciation and estimation of useful lives of assets

The Company determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

c. Key estimates - employee entitlements

The Company provides for employee benefits as a liability arising from services rendered by employees to the end of the reporting period. In determining the liability, consideration is given to expected employee wage increases and the probability that the employee may satisfy vesting requirements. The effect of discounting is not considered material and has not been performed. Changes in the measurement of the liability are recognised in the profit or loss.

d. Key estimates - provisions

As described in the accounting policies, provisions are measured at management's best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

4. Critical accounting estimates and judgements (continued)

e. Key estimates - property held at fair value

An independent valuation of property (land and buildings) carried at fair value was obtained on 31 March 2023. The Directors have reviewed this valuation and updated it based on valuation indexes for the area in which the property is located. The valuation is an estimation which would only be realised if the property is sold.

f. Key judgments - lease classification

The Company is a party to a number of lease arrangements in relation to their poker machine and point of sale equipment. Review of the minimum lease payments, lease term, other terms and conditions in the lease have caused the lease to be classified as operating leases and therefore there are no entries on the statement of financial position in relation to these assets or lease liability.

5. Revenue and other income

a. Accounting policy

i. Revenue from contracts with customers

The core principle of AASB 15 is that revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the Company expects to receive in exchange for those goods or services. Revenue is recognised by applying a five-step model as follows:

1. Identify the contract with the customer;
2. Identify the performance obligations;
3. Determine the transaction price;
4. allocate the transaction price to the performance obligations;
5. Recognise revenue as and when control of the performance obligations is transferred.

Generally, the timing of the payment for sale of goods and rendering of services corresponds closely to the timing of satisfaction of the performance obligations, however where there is a difference, it will result in the recognition of a receivable, contract asset or contract liability. None of the revenue streams of the Company have any significant financing terms as there is less than 12 months between receipt of funds and satisfaction of performance obligations.

ii. Specific revenue streams

All revenue is stated net of the amount of goods and services tax (GST). The revenue recognition policies for the principal revenue streams of the Company are:

5. Revenue and other income (continued)

a. Accounting policy (continued)

ii. Specific revenue streams (continued)

Sale of Goods and Provision of Services

The Company usually recognises point-of-sale-based revenues derived from the sale of goods (such as bar and bistro sales) and the provision of service (such as gaming revenues) at a point in time, as the performance obligations inherent in these goods and services are generally satisfied at the time considered received. The Company may receive consideration for the provision of services in advance of those performance obligations being satisfied (such as functions). Whilst the revenue is still recognised at a point in time, this timing difference may give rise to a temporary liability.

Donations

Donations and bequests are recognised as revenue when received.

Interest Revenue

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Rendering of Services

Revenue in relation to rendering of services is recognised upon delivery of the service to customers.

Rental Income

Rental property revenue is recognised in a straight-line basis over a period of the lease term so as to reflect a constant periodic rate of return on the net investment.

Membership Subscriptions

Revenue from the provision of membership subscriptions is recognised on a straight-line basis over the period of membership.

Government Subsidies and Grants

The Company assesses the specific facts and circumstances of each grant or subsidy received to determine the appropriate application of revenue recognition requirements - these will generally vary between AASB 15 Revenue from Contracts with Customers or AASB 1058 Income for Not-for-Profit Entities. For consideration received under agreements that are either not enforceable or do not have sufficiently specific performance obligations are recognised in accordance with AASB 1058, either as:

5. Revenue and other income (continued)

a. Accounting policy (continued)

ii. Specific revenue streams (continued)

1. Income immediately in the profit or loss for the excess of the initial carrying amount of an asset over any related amounts recognised in accordance with other Standards; or
2. Where the transfer of those grants are to enable the acquisition or construction of a recognisable non-financial asset that is to be controlled by the entity, as income in the profit or loss when (or as) the entity satisfies its obligations under that transfer.

iii. Grant revenue

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants related to assets are recognised when the obligations under the grant agreement have been met, which is usually when the asset has been purchased and installed.

iv. Other income

Other income is recognised on an accruals basis when the Company is entitled to it.

11. Inventories

a. Accounting policy

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the weighted average costs basis and is net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory is written down through an obsolescence provision if necessary.

13. Property, plant and equipment

a. Accounting policy

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

i. Land and buildings

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic valuations by external independent valuers, less subsequent depreciation and impairment losses for buildings.

In periods when the freehold land and buildings are not subject to an independent valuation, the directors conduct their own valuations to ensure that the carrying amount for the land and buildings is not materially different to their fair value.

Notes to the financial statements

For the year ended 31 May 2026

13. Property, plant and equipment (continued)

a. Accounting policy (continued)

i. Land and buildings (continued)

Increases in the carrying amount arising on revaluation of land and buildings are credited to a revaluation reserve in equity. Decreases that offset previous increases of the same asset are charged against this reserve directly in equity; all other decreases are charged to the statement of profit or loss and other comprehensive income. Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the revalued amount of the asset.

ii. Plant and equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses. Cost includes expenditure that is directly attributable to the asset.

iii. Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the Company, commencing when the asset is ready for use. The depreciation rate used for each class of depreciable asset are shown below:

Fixed asset class	Depreciation rate
Land	0 %
Buildings and building improvements	2.5 - 5 %
Plant and equipment	5 - 100 %
Bowling Greens	6.67 - 10 %

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of profit or loss and other comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

b. Property, plant and equipment details (continued)

The Company's land and buildings were revalued at 31 May 2023 based on the valuation by an independent valuer in March 2023. Valuations were made on the basis of fair value in accordance with *AASB 13 Fair Value Measurement*, which defines fair value as the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. This revaluation resulted in an increase in the carrying amount of land and buildings of \$1,391,966 for the year ended 31 May 2023, which was recognised in Other Comprehensive Income and accumulated in equity under the heading Revaluation Surplus for the year ending 31 May 2023. The directors have reviewed the key assumptions adopted by the valuer in March 2023 and do not believe there have been any significant changes in the assumptions or market at 31 May 2026, and therefore no revaluation changes have been recorded in the current year.

14. Intangible assets

a. Accounting policy

The intangible assets shown in the financial statements represent poker machine entitlement licences purchased by the Club. It is considered that the life of the entitlements is indefinite, so the cost cannot be amortised. However, under the applicable accounting standards, intangible assets must be tested annually for impairment. Impairment on an asset occurs when the value of the carrying amount exceeds the recoverable amount. When this occurs the value of the asset must be reduced to the lower amount with the resulting loss being shown in the Statement of Comprehensive Income. The total write-down recognised to date is \$20,000 as shown below. No movement was recognised this or last year as the estimated value in use of the Cash Generating Unit exceeds the carrying amount.

The company holds other poker machine entitlements that were acquired at no cost (prior to the change in legislation in March 2000). Under the applicable accounting standards these cannot be recognised as they have no cost. However, they do retain a market value.

c. Collateral provided

The debt is secured by registered first mortgages over land and improvements, being the Club premises at Nelson Street, Nambucca Heads, and the properties at 17 & 19 Bank Street, Nambucca Heads, together with an equitable mortgage over all of the assets of the Club including the liquor license. The carrying amounts of these assets pledged as security are set out in notes (8) to (13) in these financial statements.

17. Employee benefits

a. Accounting policy

Provision is made for the Company's liability for employee benefits, those benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. The effect of discounting is not considered material and therefore has not been performed. Changes in the measurement of the liability are recognised in profit or loss.

Obligations for contributions to defined contribution superannuation plans are recognised as an employee benefit expense in profit or loss in the periods in which services are provided by employees.

18. Provisions

a. Accounting policy

Provisions are recognised when the Company has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

19. Leases

a. Accounting policy

At inception of a contract, the Company assesses whether a lease exists.

i. Lessee accounting

At the lease commencement, the Company recognises a right-of-use asset and associated lease liability for the lease term. The lease term includes extension periods where the Company believes it is reasonably certain that the option will be exercised.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises of the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration less any lease incentives received. The right-of-use asset is depreciated over the lease term or the life of the asset on a straight-line basis and assessed for impairment in accordance with the impairment of assets accounting policy.

1) Exceptions to lease accounting

The Company has elected to apply the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. The Company recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of directors for the financial report

The Directors of the Company are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards - Simplified Disclosures and the *Corporations Act 2001*, and for such internal control as the Directors determine is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, actions taken to eliminate threats or safeguards applied.
